Message from the Dean

Dear All,

On behalf of VGSSOM, IIT Kharagpur at this onset I would like to introduce you to a set of dynamic and self-driven professionals, each very unique for their skills. All of them hold excellent professional record and are eager to make a difference in the business environment. They hail from various industries like Information Technology, Manufacturing, Finance, Construction, Power amongst others and work with the best faculties to learn from each other and solve traditional and new problems. They often come up with innovative solutions that can transform the business and industry.

In 2010, VGSSOM (IIT Kharagpur) launched the 3-year EMBA program designed for middle and senior level professionals. The program has attracted top talent from year one and the students have taken their learning back to the industry, with many of them getting expanded roles and leadership positions. The current batches of Kolkata Centre have all the promises to set new records & open new frontiers.

Dr. Prabina Rajib
Dean, VGSSOM
THE SCHOOL AND MISSION

Vinod Gupta School of Management, established in 1993, was the first school of management to be setup within the IIT system. It was initiated by a distinguished alumnus and a lifetime fellow of the Institute, Mr. Vinod Gupta.

MISSION

“To develop outstanding management professionals and future CEOs, who will lead organizations especially in technology-driven and knowledge-based industries, in the service of the nation and community.”

EMBA PROGRAM

The EMBA Programme by VGSOM, IIT Kharagpur since its inception was instrumental in transforming the lives of working executives of different backgrounds into industry leaders in various domains. Armed by the rigorous and dynamic exposure to business environment through real-life case studies, business simulation games and analytics, the students get a perfect blend of technical expertise and management skills. In this 95 credit course spread across different Core and Elective Functional Areas (Operations, Finance, Marketing, HR, Analytics, Strategy and General Management) this Mix with high quality teaching standards set by faculties make the EMBA, VGSOM batch stand tall among their counterparts and enable them to take on the challenges of today’s highly demanding and stimulating business World.

The Current Batches promise to hold the Banner of VGSOM, IIT Kharagpur high with its diversified batch profile and rich experience. The students manage to find their career goals during the perusal of this course, in their own companies for Middle/Senior business management roles, as well as in the top rung companies looking for the finest business talent available in the market.

“To develop outstanding management professionals and future CEOs, who will lead organizations especially in technology-driven and knowledge-based industries, in the service of the nation and community.”

TOTAL EXPERIENCE: 10 years

Professional Summary: A mechanical engineer with around 10 years’ experience in production, planning & shop floor management in automobile sector, powder metallurgy & electric motor industry.

Professional Awards and Recognition: Recipient of “role model” award.

Technical and Professional Certifications: Green belt training

Domain Experience: 10 years

Name of Present Organization:

---

Souvik Nandi
Bachelor of Engineering (Mechanical) (Honours) from National Institute of Technology, Durgapur

TOTAL EXPERIENCE: 8 years

Professional Summary: IT Analyst with experience in Banking and Financial Services as well as Telecom

Professional Awards and Recognition: On the spot award - 3 times for excellent in performance, Best Team award- twice for best team performance (TCS Internal)

Technical and Professional Certifications: Sun Certified Java Programmer

Domain Experience: 8 years

International Experience: 11 months

(UK)- has exposure to working with client and gathering new opportunities

Name of Present Organization: Tata Consultancy Services Ltd.

Areas of Interest (professional): Data Analytics, Business Analytics, Machine Learning, Predictive analysis

---

Gaurav Bose
Master of Technology (IT)

TOTAL EXPERIENCE: 7 years

Professional Summary: IT Analyst with experience in Banking and Financial Services as well as Telecom

Professional Awards and Recognition: On the spot award - 3 times for excellent in performance, Best Team award- twice for best team performance (TCS Internal)

Technical and Professional Certifications: Sun Certified Java Programmer

Domain Experience: 8 years

International Experience: 11 months

(UK)- has exposure to working with client and gathering new opportunities

Name of Present Organization: Tata Consultancy Services Ltd.

Areas of Interest (professional): Data Analytics, Business Analytics, Machine Learning, Predictive analysis

---

Indradeep Moitra
Master of Technology/Computer Science and Engineering), University of Calcutta.

TOTAL EXPERIENCE: 7 years

Professional Summary: Software Engineer with 7 years of experience in validating network infrastructure and protocols. I currently work as the single member in the QA team validating each feature development and have completed the development of the entire automation framework using REST APIs on Python.

Professional Awards and Recognition: Received 5/5 rating in 2013 and have consistently been top rated in all the other yearly appraisals.

Domain Experience: 7 years

---

Avishek Bhattacharya
Bachelor of Technology (Electrical)

TOTAL EXPERIENCE: 12 years

Professional Summary: Senior B2B Specialist with over 12 years experience in the IT industry. Have strong experience in data analysis and machine learning.

Professional Awards and Recognition: Recipient of IBM Bravo Award, Best of the Account Awards

Domain Experience: 12 years

International Experience: 3 years (USA, Germany, Netherlands, Denmark)

Name of Present Organization: IBM India Private Limited

Name(s) of previous Organizations: Ericsson Global Services India Private Limited, Cognizant Technology solutions

Areas of Interest (professional): Data Analytics, Machine Learning, B2B, Natural Language processing

---

Durgapur

National Institute of Technology,

Avishek Bhattacharya Bipin kumar Jha
(Mechanical) (Honours) from Master of Technology (IT) Master of Technology (Computer

Placement Brochure 2017-18, Executive MBA Batch 2016 - 19
Navin Gupta
Bachelor of Engineering (Civil Engineering), IIEST, Shibpur

Professional Summary: Civil Engineer with rich experience in large EPC Projects related to Municipal Water Treatment, Sewage Treatment and other Waste Management Projects like MSW and Septage. Worked as Business Development Manager in Eastern India including the North Eastern states.

Domain Experience: 9 years
Name of Present Organization: BTL EPC LTD
Name(s) of previous Organizations:

TOTAL EXPERIENCE 9 years
EMAIL ADDRESS gnavinr@gmail.com

Sutanuka Dey
Bachelor of Technology (Environmental Engineering), IIEST Shibpur

Professional Summary: A program Manager & Business Analyst with 7 years of extensive expertise in building Data Model, Customer Trends & Sales intelligence, MIS Reports, CRM Implementation and Process flow mapping

Domain Experience: 6 years
Name of Present Organization: Maclean Technologies
Name(s) of previous Organizations: FusionCharts, HSBC
Areas of Interest (professional): Data Modelling & Analysis; Business Analysis; Sales Operations

TOTAL EXPERIENCE 7 years
EMAIL ADDRESS sutanuka10@gmail.com

Rao P Kammilli
Master of Technology (Environmental Engineering)

Professional Summary: A Project Head in the construction sector specializing in high-rise residential construction projects. He has more than 20 years hands on experience comprising Project management including Quality , Contract, EHS, construction management.

Professional Awards and Recognition: M/s Lodha group, Mumbai has Awarded “Mr Engineer of Lodha 2013” for best service done for their Highrise project “Lodha belizia” in Hyderabad.

Technical and Professional Certifications: PMP, Certified course at National cement and Building materials testing center,

TOTAL EXPERIENCE 25 years

Nilabja Moitra
Bachelor of Technology, Haldia Institute of technology.

Domain Experience: 15 years
Technical and Professional Certifications: Project Management Courses from L&T Institute of Project Management
Areas of Interest (professional): Technical and Professional

Arnab Biswas
Bachelor in Electronics and Instrumentation

Domain Experience: 6 years
Professional Summary: Professional with around 6 years’ experience in installation & commissioning of railway/metro projects. He has worked on assessing Job cost, Bill of materials preparation, Rate Analysis, Client and vendor Invoicing and reconciliation, preparing cash flow statements, project scheduling.
Technical and Professional

Sumanta Kundu
Bachelor of Technology (Marine Engineering)

Domain Experience: 10 Years
Professional Summary: Professional with experience in shipping operations, Maintenance, Critical & Hi-Tech process equipment expertise, logistics, Technical representative for service & spare parts
Technical and Professional Certifications: Advance Fire Fighting & First Aid, Rescue Trainings.

Sandip Sarkar
Bachelor of Engineering (Mechanical), IIE Shibpur

Domain Experience: 14 years
Professional Summary: A dynamic professional with more than Fourteen (14) years of industry experience and expertise to Boiler Engineering & Designing, Commissioning, Power Plant Process, Operation, Controls, Troubleshooting & Maintenance.
Technical and Professional Certifications: L&T Construction (Transportation IC) Foundation Level Certification, Six Sigma Green Belt
Areas of Interest (professional): Financial markets, Project Finance, Sales/Logistics and vendor development, Business Development

Rajdeep Saha
Bachelor of Technology

Domain Experience: 14 years
Professional Summary: A dynamic professional with close to 7 years of experience in Datawarehousing field, credit card payments and Investment banking being my domain specialty. He is currently leading a team of 4.
Technical and Professional Certifications: Oracle Certified Associate
Areas of Interest (professional): Data Analyst, Data modelling, Business Analytics, Marketing & Sales, Market Research

Suresh Kumar Pahdy
Bachelor of Technology

Domain Experience: 11 years
Professional Summary: Mechanical Engineer with qualitative experience in Strategic Procurement, Material Management, Supply Chain Management, Vendor Development, Logistics, Inventory Control & Management & Taxation.
Areas of Interest (professional): Strategic Planning, Central Sourcing
Name(s) of previous Organizations: TATA STEEL LIMITED

Certifications: Certified in Chemical Engineering by AEC.
Saikat Adhikary

Bachelor of Technology in Mechanical Engineering from Maulana Abul Kalam Azad University of Technology

TOTAL EXPERIENCE: 7 years

Professional Summary: Mechanical Engineer with around 7 years of experience in Manufacturing Industry. At present he is leading a team of 8 engineers of Design & Development group. He is also engaged in process development, internal auditing, documentation, technical communication etc.

Technical and Professional Certifications:
- Master of CAD CAM from MSME Tool Room, Kolkata.
- Internal Auditor for OHSAS 18001:2007

Name(s) of previous Organizations:
- Central Mechanical Engineering Research Institute, Durgapur
- World Steel Organization

Areas of Interest (professional):
- Manufacturing Industry

Professional Awards and Recognition:
- 3rd Position in 6th Virtual Steel Making Challenge organized by World Steel Organization

Sabyasachi Saha

Bachelor of Engineering (Metallurgical & Materials Engineering), Jadavpur University, Kolkata

TOTAL EXPERIENCE: 6 years

Professional Summary: Metallurgical Engineer with 6 years Exp. in Tata Steel. He has project Management experience of 4 years in Tata Steel Kalinganagar Project. He is also experienced in Commissioning and Operations of Hot strip Mill. At present, he is in Charge of Steel Processing Centres under Contract of Tata Steel in Kolkata.

Technical and Professional Certifications:
- Certified RDBMS developer from IBM Limited.

Name(s) of previous Organizations:
- Tata Steel Ltd
- World Steel Organization

Areas of Interest (professional):
- Manufacturing Industry

Professional Awards and Recognition:
- 3rd Position in 6th Virtual Steel Making Challenge organized by World Steel Organization

Soumyajit Mondal

Bachelor of Technology

TOTAL EXPERIENCE: 4 years

Professional Summary: Computer Science Engineer with 4 years of experience. He has experience in developing solutions for complex business problems.

Technical and Professional Certifications:
- Certified RDBMS developer from IBM Limited.

Domain Experience: 4 years

Name of Present Organization: Cognizant Technology Solutions

Name(s) of previous Organizations:
- Infosys Technologies

Areas of Interest (professional):
- Resource Management, Consulting

Subhadip Dey

Bachelor of Engineering (Electrical)

TOTAL EXPERIENCE: 4 years

Professional Summary: Civil / Structural Engineer with more than 10 years of experience in Power, Steel and Oil & Gas Industry. He has played a critical and involving role in FEED, basic engineering, tendering, design basis report making, details designing to execution of large EPC projects.

Professional Awards and Recognition:
- Recognized for A+ category employee for consecutive 3 years.

Technical and Professional Certifications:
- Attended advanced training on Seismic stability of structures and remedies.

Domain Experience: 10 years
